## Instructions to Prospective Bidders:

This Addendum forms a part of the Contract Documents and modifies the original Bidding Documents and/or prior Addenda as noted below. All conditions, requirements, materials and workmanship are to be as described in the Contract Documents unless specifically stated otherwise. This Addendum consists of 1 page(s) and the attached drawing(s), Sheet(s) 14/SD1.2 , dated 9/10/2018 .

---

## General Notes

1. Specifications referencing an asphalt based penetrating seal to be applied no sooner than 30 days or no later than 18 months shall be removed from the project scope. The Owner will provide their own asphalt based penetrating seal.
2. Top soil may be stock piled to the North of the parking lots on the Owner's property.

## Sheet SD1.1

1. Per addendum #1 "Existing landscape island (located between the existing parking lot and new parking lot) to be re-graded and receive new sod as required to meet new top of back of curb elevations." Grading of top soil shall be by Contractor, but sod placement shall be by Owner.
  - a. To reiterate – all sprinkler work, both re-work and new, and sod placement and/or replacement to be by the Owner. All top soil shall be graded to the required heights by the Contractor to receive the sod.

## Sheet SD1.2

1. Detail 11/SD1.2 – the following note: "4 inches of 3" minus angular rock" shall be replaced by the following note: "4 inches of 1" – 3" screened Perma Bark as stocked by Wolverine Rock, Idaho Falls."
